Since its foundation in the late 1950's, Casalini Libri S.p.A. has been dedicated to the supply of bibliographical services, books and journals to national, academic and public libraries and institutions worldwide. Since its outset Casalini Libri has worked closely with libraries and publishers to develop customized supply and library services that suit the individual needs of our customers around the world.

The Casalini Libri Digital Division, established in January 2000 following an international pilot project, offers innovative electronic publishing services to the highest industry standards, collaborating with Italian and international publishers to create and distribute digital publications.

The company, headquartered in Fiesole (Florence, Italy), adheres to the ISO 9000 Quality Management System.
