

# Prestigious new publishers on Torrossa in 2017

A wealth of contents coming on Torrossa in 2017 thanks to a new agreement.

A new agreement with the e-content supplier Edigita will see archives and new content from a number of Italian publishers made available on Torrossa in the next few months.

Some of the **most prominent and historical Italian publishers** are among the first that will be available on Torrossa thanks to this agreement, such as: Adelphi, Baldini e Castoldi, Bollati Boringhieri, Bompiani, Donzelli, Egea, Gangemi, Garzanti, Giuffré, Laterza, Marsilio, Ponte alle Grazie, Rosenberg & Sellier and UTET.

This important addition will further Torrossa's aim of being a **robust and complete source of European digital contents** for academic institutions worldwide, expanding a catalogue that today contains over **31.000 ebooks, 900 ejournals** from **220 publishers**.

The deal will also offer increased visibility of Italian publications in digital format with easier access for international research libraries and institutions.

The titles will be included in our New Title Information service and available for purchase through our **ilibri** bibliographic database and online ordering services at [libraries.casalini.it](http://libraries.casalini.it), in the format of your choice, print or electronic. The titles are priced individually and available subject to the publishers' terms and conditions.
